

Fire Warden/Marshall

Designed for participants to fulfil the statutory requirements of the new legislation (RRFSO) and also equip fire wardens to provide general fire safety awareness for staff.

Upon successful completion of the course participants will receive a certificate of achievement and a fire warden's handbook to retain.

The course includes:

- Site walk or workshop with participants to identify fire risks and potential fire hazards
- Presentation on legal responsibilities
- Discussion and focus on the seriousness of fire
- Training on fire warden duties and checks
- Presentation on the theory of fire
- Instruction on use of fire extinguishers and fire fighting equipment (in some venues training will be completed outside using real fire extinguishers, in other venues training will be provided using training videos and demonstrations)

Duration: 2-3 hours

Equipment: Supplied at extra cost
