

# IOSH Managing Safety

---

This course is designed to ensure that safety requirements are appreciated by people employed as line managers and enable them to review their own departmental systems for safety.

Upon successful completion of the course participants will receive an IOSH Managing Safety Certificate

The course includes:

Duration: 4 days  
Equipment: None

- Introducing managing safety
- Assessing risks
- Controlling risks
- Understanding your responsibilities
- Identifying hazards
- Investigating accidents
- Measuring performance
